Choisir / La Marama - Colt

Spicer Thoroughbreds would like to present the first of their 2010 yearlings that is available for syndication. He is a spectacular colt by the sire of the moment in Choisir out of the mare La Marama who has produced a group performer in Mr Unforgettable and is a close relation of Tallow who ran second in the 3 year old Magic Millions race worth 1 Million Dollars.

Choisir needs no introductions as he sired Starsangledbanner who gave us a thrill of a lifetime taking out the 2009 Group 1 Caulfield Guineas. We also purchased another Choisir yearling in 2009 who has just barrier trialed and we can report he too is well above average taking out his trial in impressive fashion.

This particular colt is very athletic with a real presence about him and we hope we can go 3 for 3 with Choisir's as they make fantastic racehorse's.

Leon Corstens will train him from his world class private Training complex and the facilities there will ensure this colt reaches his optimum level.

The colt is eligible for the rich "Magic Millions Race series" worth several Million Dollars.

10% - Shares in the colt are \$12,750 Plus Gst and that includes all costs insurance, breaking in, Floating Magic Millions race series nomination and Training fees up until April 30th 2010.
