Hussonet / Pray For Reign - Filly

Spicer Thoroughbreds would like to present a classic filly for Syndication by the Australian Champion sire in Hussonet. Hussonet has produced 20 champion gallopers worldwide but he will be remembered most as being the sire of the World Champion 3 year old "Weekend Hussler" who won a staggering 7 group 1 races.

Another success story for Hussonet was Reaan who came with a blistering run to take out the Blue Diamond Group 1 running away from Miss Finland.

Pray For Reign the dam of this lovely filly was competitive with the best 3 year old fillies of her year and was arguably the unluckiest of all runners in the V.R.C Oaks when trained by Leon Corstens. Damien Oliver rode her in the Oaks and his post race appraisal was she was a certainty beat after braking her nose during the race. Leon had a massive opinion of her but she was retired to the breeding barn early after suffering a career threatening injury.

Pray For Reign has had 6 foals to race for 6 winners a 100% strike rate.

10% shares in the filly are 11,675 plus Gst and that includes all costs up until the 30th April. Insurance, Breaking in, agistment, Magic Millions race series nomination, floating and all training fees until April 30th are all included.
